SUBJECT No. 323.
Preservation of the "Keerthi Narayanaswami temple" at Talkad.
Mr Kadeem Venkatasubbiah, Talkad Municipality

Mr. Kadeem Venkatasubbiah.—There is a well known and renowned temple called "Keerthi Narayanaswami temple" at Talkad. The Public Works Department have removed heaps of sand on the northern side of this temple at an enormous cost of Rs. 3,000. It is rumoured that they will not undertake the removal of sand on the other side of the temple. If it is left as it is, the temple building will surely collapse, thereby causing damage and loss to Government to the extent of one lakh of rupees. It is therefore requested that necessary steps may be taken immediately for the preservation of this temple.

First Member of Council.—A report has already been received and an estimate for Rs. 10,000 has also been proposed but it has been deferred this year unfortunately for want of funds.
